SUMMARY

Informatics Engineering graduate from Satya Wacana Christian University with expertise in UI/UX design, website development using WordPress, and foundational experience in supporting IT operations as an IT Support. Familiar with basic Python programming concepts, particularly in implementing Create, Read, Update, and Delete (CRUD) functions. Accustomed to working with a user-centered approach and capable of translating needs into effective digital solutions. Highly motivated to learn and committed to continuous development in the field of information technology..

EDUCATION

Satya Wacana Christian University | Aug 2021 – Oct 2025
 Bachelor of Informatics Engineering
GPA 3.56/4.00

COURSE

 Oracle Academy Certification – Database Design and Programming with SQL
Dec 2025
- Database design and fundamental data structure planning using structured and efficient approaches
- SQL (Structured Query Language) for creating, reading, updating, and deleting data in databases
- Introduction to and use of MySQL for database management
- UML diagram creation to represent data flow and relationships between system entities

WORK EXPERIENCE

 Assistant Financial Manager – Faculty of Information Technology, UKSW
Satya Wacana Christian University | Jul 2023 – Present
- Assist in regular planning and management of faculty budgets
- Provide financial information and support to students
- Collaborate with faculty leadership to ensure smooth budgeting processes
- Review and verify expenditures to ensure accuracy and budget compliance

Administrative Staff – Faculty of Information Technology UKSW

Satya Wacana Christian University | Jul 2023 – Present

- Provide academic administrative assistance and information to students
- Maintain effective communication between faculty and stakeholders
- Support the use of administrative software and faculty information systems

Liaison Officer – Professorial Inauguration 2023

Satya Wacana Christian University | Dec 2023

- Organize and coordinate all event aspects including schedules, locations, and logistics.
- Act as a liaison between the university and guests to ensure smooth communication.
- Lead and supervise the event support team
- Handle technical/logistical issues and evaluate event execution.
- Foster relationships with campus stakeholders and the academic community.

Liaison Officer – 67th Anniversary of UKSW

Satya Wacana Christian University | Nov 2023

- Communicate important updates regarding event changes and technical details.
- Ensure event standards are met, including decoration and catering.
- Collaborate with the media team for documentation and ensure event flow

Liaison Officer – Gathering With Parent

Satya Wacana Christian University | Oct 2023

- Warmly welcome guests and practicipants
- Act as a liaison between the committee and guests
- Coordinate event logistics and lead the support team
- Address issues during the event and maintain positive communication with all guests.

Intern – Informatics Engineering Program, UKSW

Satya Wacana Christian University | Sep 2024 – Dec 2024

- Designed the program's website using WordPress
- Created visual layouts and organized relevant content
- Conducted testing and fixed technical bugs
- Managed routine updates and website maintenance

SKILLS

- **Web & UI/UX Design**: Proficient in intuitive and responsive user interface design using modern UI/UX principles. User-centered and experienced in Figma for wireframing, prototyping, and team collaboration.
- **Web Development:** Website creation and management using WordPress, including plugin installation, content optimization, and theme customization
- **Programming:** Basic Knowledge of Python programming, especially in implementing CRUD functions
- **IT Support:** Experience in daily technical operations support, troubleshooting hardware/software, and assisting with system checks and documentation
- **Soft Skills**: Strong communication, critical thinking, fast learning, tech-adaptive, team collaboration, and problem-solving orientation
- **Technical Tools**: Figma (UI/UX Design), WordPress, Visual Studio Code, Miscrosft Office Suite (Word, Excel, Powerpoint), Canva.

PUBLICATION

- "*Website Development for the Diploma in Informatics Program at Satya Wacana Christian University Using WordPress*", Faculty of Information Technology, UKSW – Dec 2, 2024
- "*Website Development for PT Smartyas Inti Parama Using WordPress to Improve User Satisfaction Based on Usability Evaluation*", Journal of Science, Technology & Industry – Apr 15, 2025
